### Prayer focus: Dedicating Epiphany's Renovated Sanctuary

**Scripture Reading:** Read **2 Chronicles 7:1-3** – Solomon achieved much in business and government, but most important he was the man God used to build the glorious Temple. This beautiful building was the religious center of the nation. It symbolized the unity of all the tribes, the presence of God among them, and the nation's high calling. We may achieve great things in life, but we must not neglect any effort that will help nurture God's people or bring others into God's Kingdom. It is easy for us to get the wrong perspective on what's really important in life.

**Reflections of the Heart** – 2 Chronicles 7:3 "... He is good! His faithful love endures forever!"

#### Scriptural Prayer –

Dear God, Creator of us all,

We come to you with joy and praise to the Father, Son and Holy Spirit for your faithfulness in bringing about the miracle of the establishment of our renovated church building.

May Epiphany's church serve as the place where many are saved from their life of sin and separation from you by experiencing the redeeming power of Jesus Christ in their lives. May many be saved, learn the Scriptures, experience the power of prayer, and grow in discipleship and friendship with Jesus Christ. May this building continue to shine the light of salvation of Christ in Pearland and throughout this region. May many be baptized here. May many be joined in true Christian marriage with Christ at the center of their marriage. May our church be a place of true worship, thanksgiving and praise, offering hope and healing and providing a place of joy and peace. May the love of Christ be at the center of all that takes place here. May your Holy Spirit inhabit this place and may your glory shine here for countless generations to come.
